COPY of DECLARATION of the CATHOLIC LAITY of *Ireland* on the subject of
UNIVERSITY EDUCATION recently presented to the Lord Lieutenant and the
Chief Secretary for *Ireland*.

DECLARATION.

HAVING observed the recent statement of the Lord Lieutenant of Ireland, that it is the intention of Her Majesty's Government to deal with the question of Irish University Education, we, the undersigned, take the opportunity to renew the following Declaration made in the year 1870 on behalf of the Catholic laity of Ireland:—

- " 1. That it is the constitutional right of all British subjects to adopt
" whatever system of collegiate or university education they
" prefer.
- " 2. That perfect religious equality involves equality in all educational
" advantages afforded by the State.
- " That a large number of Irishmen are at present precluded from the
" enjoyment of university education, honours, and emoluments,
" on account of conscientious religious opinions regarding the
" existing systems of education.
- " 4. That we therefore demand such a change in the system of collegiate
" and university education as will place those who entertain these
" conscientious objections on a footing of equality with the rest
" of their fellow-countrymen as regards colleges, university
" honours, and emoluments, university examination, government,
" and representation."

The Declaration has been signed by the following:—
